COUNTRIES

specializing in developing cutting edge end-to-end technology solutions across various industries from Software & Hi-Tech, Financial Services, Retail & Distribution, Travel & Hospitality, Media & Entertainment, Life Sciences & Healthcare, and Emerging Verticals.

2

SINCE 1993,

we've been helping the world's leading companies, like Google, Expedia, UBS, and Sephora solve their complex technology challenges.

3

We are a U.S.-based, publicly traded company

(NYSE: EPAM)

with industry-recognized and awarded growth.

4

WE ARE A GLOBAL TEAM

of technologists and thinkers who are united by our values and passion for technology.

5

FUN IN AND OUT OF THE OFFICE

EPAMers appreciate our flexible work environment, great benefits, and opportunities to travel. We're more than teammates – we're a community of friends.

6

WE DON'T JUST WORK
FOR OUR CLIENTS –

WE WORK WITH THEM

to provide support as well as engaging, cutting-edge, and often award-winning technology solutions across our capabilities in Digital Engagement, Advanced Technology, Intelligent Enterprise, and Core Engineering.

7

OUR PEOPLE

are the source of our success, and we provide opportunities for smart, self-motivated, proactive, and collaborative individuals.

8

WE VALUE ALL OPINIONS

no matter your level of expertise. We encourage EPAMers to grow by learning from mistakes, celebrating results, and being independent, innovative thinkers.

9

WE CARE ABOUT THE WORLD

around us and use our tech capabilities and expertise to improve our communities in the areas of education, environment, and social innovation.
